INFORMATION DISCLOSURE STATEMENT

UNDER 37 C.F.R. § 1.97(c) and (e)(1)

Pursuant to 37 C.F.R. § 1.56 and § 1.97(c) and (e)(1), Applicants bring to the attention of the Examiner the documents listed on the attached PTO-1449 form. To the best of the undersigned's knowledge, this Information Disclosure Statement is being filed before the mailing date of any of a Final Office Action, a Notice of Allowance, or any action that otherwise closes prosecution in the application for the above-referenced application.

To the best of the undersigned's knowledge, each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. A copy of the Search report issued by the European Patent Office on November 24, 2003 is enclosed for the Examiner's consideration.

Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached form. This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the above-listed documents are material or constitute prior art. If the Examiner applies the documents as prior art against any claim in the application and Applicants determine that the cited document does not constitute prior art under United States

law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the application and the references therein, should one or more of the documents be applied against the claims of the present application.

Except for issue fees payable under 37 C.F.R. § 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. § 1.16 and § 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account 50-0310. This paragraph is intended to be a **constructive petition for extension of time** in accordance with 37 C.F.R. § 1.136(a)(3).
